

2025 Season Report

What an incredible year it has been for Pints Netball Club 2025 will go down as one of our most successful and memorable seasons to date. The energy, commitment and community spirit across every corner of our club have truly made this season one to celebrate.

Finals Fever

This year, our club reached new heights on the court with an incredible number of teams making it through to the finals.

- **Juniors:** Every single age group and division had Pints representation in the first week of finals, an amazing effort that shows the strength and depth of our junior programme. Out of 11 teams, 8 finished in the top four, leading to 5 grand final appearances and 4 premiership victories across U11 Division 2, U13 Division 2, U15 Division 2 and U15 Division 1.
- **Seniors:** Every one of our 11 senior teams finished inside the top four, with 9 going on to compete in grand finals. Both our **Premier League** and **Premier Reserve** sides capped off undefeated seasons, marking three and four consecutive titles respectively. Division 1 Masters and Division 3 Greenants also brought home the silverware, making it three straight years that Pints have claimed the top three women's divisions — a phenomenal achievement.

This consistency and dominance across the club reflect the dedication of our players, coaches and volunteers.

Our Sponsors

This year also marked an exciting milestone for the club with the arrival of new sponsors who have joined us to support our growing success. We proudly welcomed **ColINT** as our Premier League naming rights sponsor for the 2025 and 2026 seasons, along with **Ostojic** and **Tristar Industries** joining as Silver Sponsors.

We also celebrated the continued support of our returning partners:

- **Laneway & Besser (Lisa)**
- **Tschirpig Conveyancing (Ben & Lucy)**

- **Choices Flooring (Kel & Anthony)**
- **Icon (Jesse)**
- **Bendigo Bank Nightcliff (Jeff)**
- **PhysioNorth (Callum)**

Their loyalty and belief in what Pints stands for community, inclusion and grassroots growth are the backbone of our success. Without their ongoing contribution, the opportunities we provide for our players simply wouldn't be possible. We are incredibly grateful to have such passionate local businesses walking beside us as we continue to grow.

Beyond the Court

Our development programmes continue to thrive, from **NetSetGO**, which saw around 40 young netballers take part under the guidance of our amazing volunteers, to our partnerships with **Netfit** and guest presenters like former SSN players **Kim Borger** and **Rahni Samason**, and sports dietitian **Samantha Wright**. These opportunities help shape the next generation of athletes both on and off the court. A huge thank you to our president Rachelle Tinning for organising a world class event for our club and the community.

We also saw continued growth in coaching accreditations and umpire development, ensuring that the Pints pathway remains strong and sustainable for years to come.

Presentation Night

We finished the season with a wonderful Presentation Night where our club came together to celebrate the incredible achievements of our members both on and off the court. It was a fantastic evening filled with laughter, pride and plenty of green and gold spirit. Congratulations to our **2025 Choices Flooring Junior of the Year, Farrah Hook**, whose dedication and leadership continue to inspire our younger players. Our **2025 21 & Under Deans Kellam Player of the Year, Inez Moir**, was recognised for her outstanding performances, commitment and sportsmanship throughout the season. Finally, a huge congratulations to **Michelle Smith**, our **2025 Club Person of the Year**, whose tireless efforts, positivity and passion for the club embody everything Pints stands for.

Looking Ahead

As we close out this record-breaking season, I want to acknowledge every single volunteer, coach, manager, scorer and supporter who has contributed to making 2025 such a success. Your dedication allows our 250+ members to play, learn and thrive in an environment that truly embodies the Pints spirit.

With the support of our sponsors, members and volunteers, the future is bright, and we cannot wait to see what 2026 brings.

Thank you for being part of the journey.

Maddi Brown

Vice President
